

FAMILY-CENTERED SERVICES

This program establishes positive, long-term support by introducing families to available resources within the community. Family-Centered Services offer family assessments, goal planning and individual services.

Services include:

- Home, community and school-based services
- Mental health education
- Daily living training
- Case management
- A referral to individual, group or family therapy
- Collaboration of services with schools and at home

FOSTERHOPE

A specialized foster care program and private adoption program are available for children who are in need of emotional or mental health support. It is a therapeutic program that recruits, trains and licenses new foster families within Indiana.

DENTAL

Family dental services are provided by our team of board-certified professionals who strive to make your dental experience as relaxing and comfortable as possible.

Our dental services include:

- Preventative care
- Restorative care
- Periodontal care
- Emergency care
- Oral surgery
- Prosthetic care

MERIDIANMD

We believe in “whole-person” health! This holistic approach

to health care allows our board-certified physicians and providers to work together for your total well-being. Our doctors, nurses, therapists and counselors specializing in primary medical care for adults and children provide a true medical home, where all treatments and medications are coordinated seamlessly.

MERIDIAN HEALTH PEDIATRICS

Meridian also offers specialized pediatric care for children.

Meridian Health Pediatrics clinics are available at several locations, including pediatric urgent care. Services include: well-baby and well-child check-ups, sports and school physicals, vaccinations, treatment for minor injuries, illness visits, child psychiatry, behavioral & social health, and more integrated care.

MERIDIAN SCHOOL CLINICS

School-based health clinics are a collaborative partnership with Meridian Health Services and community schools offering a medical and behavioral clinic within the school setting to help students, families, as well as teachers have convenient, instant access to immediate whole-person care.

PHARMACY

Meridian Health Rx is a pharmacy dedicated to serving Meridian patients and designed to enhance care and help patients achieve the best health outcomes. Benefits include custom pill packing, personalized co-pay assistance programs, and free prescription delivery.

COUNSELING

Meridian offers professional counseling by licensed clinical social workers, mental health counselors, and therapists for children, teens and families. Providers use multiple methods to treat a number of concerns including depression, anxiety, conduct, ADHD, PTSD among other life challenges.

PSYCHIATRIC SERVICES

This program includes individual psychiatric evaluations, medication evaluations and follow up with treatment of psychiatric issues as part of comprehensive treatment. Counselors work with children and their families to solve problems and find solutions. Medications may be prescribed by a psychiatrist or clinical nurse specialist to help relieve symptoms.

INTENSIVE WRAPAROUND SERVICES

This is a high-level service designed to help families avoid residential placement of a child, or facilitate a child’s quicker release from residential placement.

- Identifies the emotional and psychological needs of the child and family
- Services can include crisis and family counseling, training and support, and respite care.

EMERGENCY SERVICES

This service is available to children and teens suffering from an emergency psychiatric situation. If you are in need of immediate help call **800-333-2647**.

CHILD ADVOCACY Center

Healing and Justice

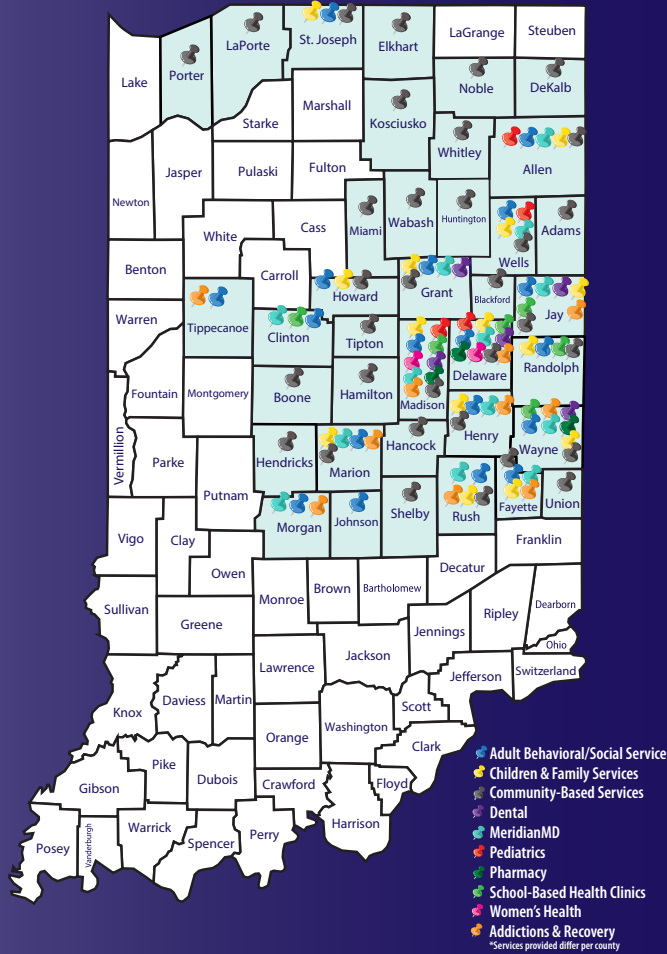

CHILD ADVOCACY CENTER

The Child Advocacy Center (CAC) is a regional center located at the Suzanne Gresham Center where interviews and investigations of children who have experienced abuse are conducted in a concise and caring manner to help reduce additional trauma. The CAC allows the community law enforcement and legal teams to pursue reports of child abuse more effectively and efficiently, resulting in higher prosecution rates. Most importantly, the CAC offers protection in a nurturing and healing environment for victims of child abuse.
